COVID-19 County Operations

Cherokee County Administration Building will open to the general public on May 4, 2020.

Cherokee County Elections Office will open to the general public on May 4, 2020.

Senior Services:

- We are developing a plan to test homemaker staff so we can restart those services with the appropriate safeguards and protocols.
- We are prepared to bring Meals on Wheels volunteers back starting next week.
- For the Senior Center, we believe we should not yet reopen that facility given the vulnerability of those clients.

Recycling Services:

The recycling center at Hobgood Park is currently open on a limited schedule for recycling only.

- Tues and Thurs 9-5
- Sat 8-4

The recycling center at Blalock remains open on their normal schedule.

Goodwill is NOT accepting donations at Hobgood Park currently.

Recreation Center, Aquatic Center and county parks:

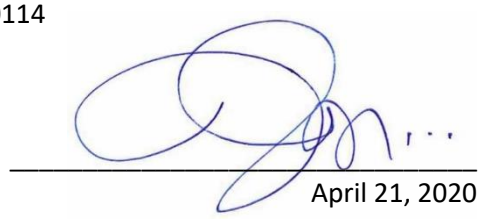

- County parks and recreation facilities including athletic fields, courts, and outdoor rinks will open on Friday, May 1st. Other facilities including open spaces, boat ramps and trails that are currently open will remain open provided users follow local, state and federal guidelines on Social Distancing and large gatherings.
- Playgrounds, Pavilions and the Skate Park will remain closed at this time. *Note: Because social distancing is not easily achieved, these areas are likely to encourage large groups to gather along with possible surface contamination, these areas remain closed until we enter "Phase II" under the White House guidelines.*
- All CRPA scheduled activities and programs are canceled through May 1st. Note: *Staff are evaluating specific programs and activities to determine when they may resume under the White House guidelines. For example, under the White House guidelines, all organized youth activities should remain closed during Phase I.*
- CRPA facilities (Recreation Center, Aquatic Center, Union Hill Community Center) will open on Friday May 1st. Programs and activities will be subject to guidelines on social distancing and large gatherings.

Blue Ridge Judicial Circuit

The Courts of the Blue Ridge Judicial Circuit and Cherokee County will continue to operate under the Judicial Emergency Order governing operation of the Courts of this State entered by Chief Justice Harold Melton of the Supreme Court of Georgia on March 14, 2020. The Courts will remain open to address essential functions as provided in the Judicial Emergency Order. Court proceedings will remain open to the public.
